## PPT MINI - INFORMATION SHEET AND PRICE LIST

Front View - Full Height

Rear View with wings and backdrop

Front View - Lowered

The PPT-MINI is a free-standing, height-adjustable portable puppet theatre suitable for adult and children puppeteers that features our Doorway Theatre. It's like having two theatres in one! Perfect for classrooms without an available doorway and suitable for smaller performers the PPT-MINI is constructed from aluminum and can be assembled in under 10 minutes. Choose the basic package, which includes the frame and doorway theatre or add on a stage, adjustable wings or backdrop as your budget allows. If you already have a doorway theatre just purchase the frame and other components as desired.
