Fig. A

(1)

Start by placing **Part "C"** (Stage) in bag upside down as shown, making sure that packing strap is accessible.

(2)

Add pieces **"A-D"** making sure that the knobs are facing up and/or out for protection.

(3)

Add the rest of the tube pieces: **Legs** and **Vertical Uprights**.

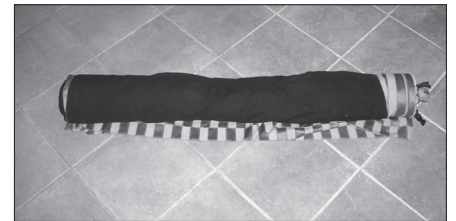

## ROLLING UP THE DRESSING

(4)

(5)

(6)

(7)

Pack the **Dressing** by folding the wings toward the center with wrong sides out and rolling from top to bottom. See figures (4) to (6). Place in bag provided along with the scrim and place on top of pieces already in bag. Clip together packing strap and secure by tightening (7).

(8)

Remove lightbulbs and reflectors from Luxo lamps. Fold arms and pack them along with reflectors in bag.

(9)

Place lightbulbs in boxes and pack in front pocket along with other items in bags provided: Stage Dressing; Scrim Hangers, etc.
