**web:** www.opendoordesigns.ca

The **Rear Drape** addition to the **PPT-Pro** and **PPT-Kids** theatres allows you to close the back of the theatre for "in the round" or expand your wings. They are adjustable and feature clips that secure them to the theatre and Velcro closures to close up the back.

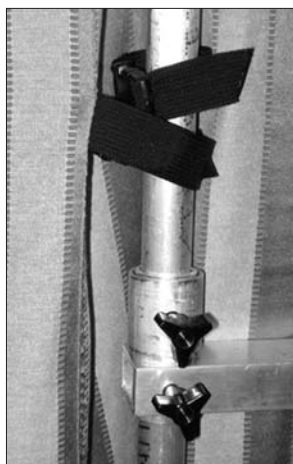

**(1)**

Before installing the Theatre Dressing plug on the wing, slide the Drape Enclosure Support over the pipe.

**(2)**

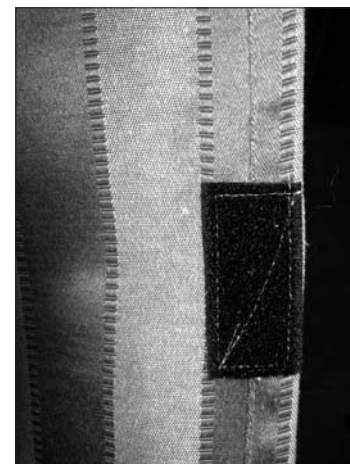

Install Theatre Dressing Plug in the top of the pipe.

**(3)**

**(3)** Fasten theatre side of Drape with spring clips (2) provided.

**(4)** To close the Drapes fasten with velcro.

**(4)**
